

What is the Brookline Guest Overnight Parking Program?

As a Brookline resident, you may purchase a guest overnight parking pass that will allow a guest to park in a designated parking space reserved by the town for overnight guest parking. Parking on-street or in a public lot where overnight parking is not allowed may subject you to a parking fine. A guest overnight parking pass entitles the holder to park in a guest space between the hours of 11 PM and 8 AM. An overnight guest parking pass does not guarantee the holder that a guest parking space will be available in the lot closest to their residence.
